Tips for Reading Together

Children learn best when reading is fun.

- Talk about the title and the pictures on the cover.
- Look through the pictures together and discuss what you think the story might be about.
- Read the story together, pointing to the words and inviting your child to join in.
- Give lots of praise as your child reads with you, and help them when necessary.
- Have fun finding the hidden cats.
- Enjoy re-reading the story and encourage your child to say the repeated phrases with you.

Children enjoy reading stories again and again.
This helps to build their confidence.

Have fun!
